

DIAMOND CUT GOLD SERIES STEAKS

Our **Diamond Cut Gold Series** steaks are exclusively sourced from Australia's richest grazing lands as seasons allow.

Under our Diamond Cut Gold Series banner our steaks are labelled **Prime** or **Choice**.

The **Prime** steaks are minimum **100 day grain fed** to produce extra marbling which slowly melts and bastes the meat throughout the cooking process providing maximum tenderness for that famous OBJ's eating experience.

Our **Choice** steaks are **Grass fed** and free range, giving the meat a cleaner, leaner flavour... a taste sensation!

Degrees of Doneness

A **rare** steak will be very moist with warm juices, the internal colour of the meat will be very red from edge to edge.

A **medium rare** steak will be pink from edge to edge with a red centre, moist with warmer juices.

A **medium** steak will be pink from internal edge to edge and centre, juices will be slightly clear pink.

A **medium well** steak will be a light grey internal colour, with a pink centre.

A **well done** steak will be grey internally from edge to edge, dry of juices. For well done steaks, where possible, depending on the cut of meat, we recommend butter-flying the steak to speed up the cooking process and therefore, not dry out the meat too much.
